**Public Trust and the State's Best Interests Analysis:**

On January 26, 2012, the Commission authorized a 10-year General Lease – Recreational Use to Mark B. Nelson, Trustee of the Wilborn Children's Trust and Lorie L. Wilborn, Trustee of the Nelson Heritage Trust, for an existing pier and two boat hoists ([Calendar Item C10, January 26, 2012](#)). That lease will expire on January 25, 2022.

Staff conducted the rent review called for in the lease and recommends the rent be revised from \$1,145 to \$596 per year based changes to the impact area for the pier and application of the Lake Tahoe Benchmark. Staff also recommends the lease be amended to reflect the new reduced lease (impact) area.

The recommended action will not substantially interfere with Public Trust needs at this time and at this location. For these reasons, staff recommends finding the proposed action is in the best interests of the State.

**OTHER PERTINENT INFORMATION:**

1. This action is consistent with Strategy 2.2 of the Commission's Strategic Plan to ensure timely receipt of revenues and royalties from the use and development of State lands and minerals.
2. Amendment of the lease to make an adjustment in the lease area and approving the revision of rent are not projects as defined by the California Environmental Quality Act, because they are administrative actions that will not result in direct or indirect physical changes in the environment.

Authority: Public Resources Code section 21065 and California Code of Regulations, title 14, section 15378, subdivision (b)(5).
